Do you want to

- *Lower stress in your home?*
- *Manage your child's behavior more effectively?*
- *Increase positive behavior?*
- *Improve your child's social skills?*
- *And, decrease the risk of alcohol and drug use in your child?*

If so, please consider joining the staff of Dickerson Children's Advocacy Center for the ***Strengthening Families Program***, a **free** evidence-based parent and family strengthening program for any family with a child between 6 and 11 years old.

The program includes separate skills classes for parents and children, as well as childcare for younger children (birth to 5) and teens (12-18). Dinner is included each week, and each family receives a weekly gas card to help with the cost of transportation. There are also weekly gifts for each family and a completion incentive at the end of the program.

The program meets weekly on Monday nights at All Saints' Episcopal Church in Cayce, SC. The address is 1001 12th Street Cayce, SC 29033. Dinner is served at 5:30 p.m.

We currently have a session in progress, with the ability to add new families until September 15, 2014. If you are interested on attending please contact Shannon at spaxton@dickersoncac.org OR call 791-1511.
